Blessings of Praise: 30 years ago, this yankee came south and met her 1st southern friend. Doesn't matter where we are, we just pick up where we left off. It's a God thing. Our last chance meeting she asked me to make bread again with her. Also for the title of the book I had given her on how to raise children and Bible story books. She needed it to get one for her adult daughter. So we made a bread making date. In time we sat down at my kitchen table and discussed the books of my ABC shopping adventure. "Yes!, Yes! This it it! This is the book,", she exclaimed! *Child guidance and my Bible Friends* were the books of 30 years ago. We made bread and pies, learning just a little more of each other. The bread recipe was a whole wheat bread recipe. My friend, Lisa, had given it to me years ago. You never know when God is using you. That day God used a whole wheat bread recipe to share much with a mother of 25 children. That mother and I have agreed to meet at Heavens Gates. I think there will be 25 children there also eating whole wheat Manna. Pray to be used. Pray to be a Blessing. God is working.
